Subject: Continuity of WartPEEL® Compounding Services – Transition to Medicap Pharmacy®

Dear Valued WartPEEL Prescriber,

We are writing to inform you of an important update regarding the WartPEEL compounding services you have trusted through the NuCara Pharmacy Compounding network.

Effective April 1, NuCara's compounding pharmacy operations have transitioned to new ownership and will operate under the name **Medicap Pharmacy**. While the name is changing, the **compounding operations, team, and service you rely on will remain the same.**

Additionally, the patented WartPEEL formulations and trademarks are now exclusively licensed to Medicap Pharmacy, making it the **sole authorized pharmacy** and compounding lab to formulate and dispense WartPEEL.

We want to reassure you of the following:

- **No disruption to service** – WartPEEL compounding and fulfillment will continue seamlessly without interruption.
- **Same experienced team** – The same trusted pharmacists and compounding professionals remain in place.
- **Uninterrupted patient care** – Our commitment to safe, effective, and personalized treatment remains unchanged.

No action is required on your part. Prescription processes, ordering workflows, and communication channels will remain consistent and implemented on wartpeel.com/prescriber

Our goal is to ensure a **smooth and seamless transition** while maintaining the high level of service you and your patients expect.

We are honored to continue supporting your practice under the Medicap name and greatly appreciate your continued trust and partnership.

If you have any questions or need assistance, please don't hesitate to reach out.

Sincerely,

Tom Swegle
